The Haunted Campsite

by Isaiah (Teepee)

Okay, I'll start from the beginning. I decided to go camping. Alone. In a place that was claimed "haunted." But I wanted a story, so here we are. I set up my tent in a clearing and, when I decided to go check out the campsite, I heard a *Honky-honk-honka!!* Now, any of you wimps would probably run screaming to who-knows-where, but I bravely shivered and ran to the source of the noise. There it was again! *Honky-honk-honka!!* It sounded like it was right in front of me! Probably because it was right in front of me. It was a turkey. That's right. A turkey. And then it let out a blood-curdling *Honky-honk-honka!!* The end.

The Astros are good as usual. The A's are actually good. The Pirates have the hottest combo (Josh Bell, Starling Marte). Cody Bellinger and Christian Yelich are both trying to hit the triple crown.
