About Camp Whippoorwill

by Sarah Jane (Teepee)

Whippoorwill is a very popular camp. Some of the activities are rappelling, swimming, horseback riding, and kayaking. If you go, you will have a den and that is where you eat lunch, have snack, and hang out with your group. Some activities I've enjoyed are kayaking, creek hike, and the flying squirrel. My favorite activity was kayaking because it was really refreshing. I think you should go to Whippoorwill if you like outdoors but you don't want to sleep away at camp.

Action Jackson shows Bear Cub campers a friendly rat snake.

My Favorite Counselor

by Heuer (Bear Cubs)

Today I'm writing about my favorite counselor. In my opinion, I think Abbey is the best counselor because she is always nice to me and everyone!!

Leadership Challenge campers took a field trip to volunteer at Graceworks in Franklin. Graceworks serves needy Williamson County residents.

JoJo and Will's Creek Hike

All Teepee campers got this invitation from JoJo and Will to join them on a creek hike. A grand total of 81 campers went on the creek hike! We think this is an all-time record at Whippoorwill!

The Missing Broom

by Charlotte (Teepee)

Once a mystery was made. And this is how it went. After winning the broom, Teepee put the broom in the Gazebo. On Monday morning the broom was gone! They told Ms. Shanelle and reported 4 suspects: Abi, Rachel, Kaitlyn, and Dakota. They checked all the counselors, especially the suspects. After 3 days they found it! It was Wednesday and they needed it! And Dakota had it! He said sorry and everything went back to normal. It was so scary!

Log Cabin wins the Magic Broom Award for Session 8 - congratulations!!

Holiday Week!

The session's theme was Holiday Week. Each day we celebrated a different holiday:

- Monday: Valentine's Day
- Tuesday: Camp Kindness Day
- Wednesday: St. Patrick's Day
- Thursday: Christmas in July
- Friday: Halloween

Some counselors and campers dressed up for each holiday but others wore usual camp clothes.

Interview with Iris by Julia (Teepee)

My interview today is about what is your favorite part about Whippoorwill? It is with Iris.

Julia: What is your favorite activity?

Iris: Probably all the water activities, but mostly zipline.

Julia: What is your favorite part about zipline?

Iris: Probably I like the feeling of how you think you're flying. Also how you feel during the drop is really cool too.

Julia: Who would you recommend zipline to?

Iris: Anybody that likes jumping into water.

That is what Iris's answer is. I hope if you do zipline you will love it as much as Iris. The End.

Bear Cubs Update!

The mighty Bear Cubs have had a busy week catching critters! Here's the count, as of 3:30 p.m. on Thursday: 215 crawdads, 2 salamanders, 22 fish, 61 water beetles, and 2 turtles.

Koopa Troopa vs. Goomba

by Adeline (Teepee)

You know in Mario Games the enemies fight. Well, I'm talking about two enemies you probably know. The Koopa Troopa and the Goomba. Which one's harder? In my opinion, I think the Koopa Troopas are harder. It's harder because you have to jump on the Koopa Troopa and then throw his shells. But with a Goomba all you have to do is bop them on the head. And which one is your favorite? My favorite enemy of the two is also Koopa Troopa. He's so cute. He makes cute noises and everything. And are Koopa Troopa and Goomba friends? I'm not sure but I think so. That's what I think about Koopa Troopa and Goomba.

Zipline Situation by Margaret (Teepee)

The zipline is really fun but when I first got on the zipline I got a lot of water in my mouth. Next I closed my mouth and got a lot of water in my nose. So I think you should hold your nose and close your mouth on the zipline.

Interview with the Pigs

Unicorn Story

Story and drawing by Garrett (Teepee)

Part 1. Unicorns are invading the world from Uranus! People are screaming and Veruca Salt (from Willy Wonka and the Chocolate Factory), the selfish tot, is still in the garbage chute.

Part 2: Jo-Jo vs. Puncho-Will. Right in the middle of the Gaga Ball Battle (it was zero-zero) unicorns barged in and took everybody to the dungeon on Uranus. All the rest of the people are turned into people from Willy Wonka and the Chocolate Factory: Augustus Gloop=Fat Pig. Violet Beauregard=Greedy for Gum. Veruca Salt=Awful Brat. Mike T.V.= Greedy for T.V. Charlie Bucket=Very Good and thankful for everything he has. Also, the parents turned into the parents of the children (this was all made by Caticorn's horn)!
