## Aloha Campers!

We have had such a blast with you this week. Camp was just what we all needed.

Thank you for wearing masks when asked, for social distancing when asked and for helping us find the magic of camp! We know this summer is a little different, but we are so glad to be here together.

We hope you all have a great rest of the summer and hope we see you back later this summer or next year! Stay safe and be kind.

Happy Camping!

It judges cleanliness and neatness. After days of judging it secretly, it tells the camp leader the winner and it stays there until the next children come.
